

GITANA

New to the charter market, "GITANA", constructed by the world renowned Perini Navi, is the ultimate combination of elegance, sailing performance and luxury living. One very notable feature of the yacht is the enormous, uncluttered all weather cockpit - including dining area, wet bar with refrigerator and grill, lounge area and helm - which runs to almost one-third the length of the yacht.

"GITANA" is equipped for true world cruising in style, comfort and security. She features full state-of-the-art navigation and communication systems, allowing you the choice to keep in touch with the outside world or merely to enjoy the wonderful cruising grounds to which "GITANA" can take you.
